

Emersons Green Primary School Needs YOU!

On Monday evening the PTFA held the annual general meeting for parents. The existing committee stepped down having worked tirelessly for the school for two years. Joint chair people – Vicky Burchill and Jules Dunn have done a magnificent job running the committee, encouraging others and organising social and fund raising activities and events. (The newsletter sets this out in more detail.) Jules and Vic have been very ably assisted by treasurer Andrea Hobbs and secretary Meryl Grimshaw and a few faithful stalwarts who have reliably turned up to help out whenever they can. During the last year they have raised nearly £6000 which all children have benefited from. In addition they have engaged the support of parents and staff and boosted community spirit. We are extremely grateful and I would like to extend my thanks on behalf of all the pupils, staff and parents to the team for their hard work and commitment to the children of Emersons Green Primary School

Sadly only two other parents attended the AGM and were prepared to take on roles for the coming year. If the PTFA is to continue it really does need more parents to support as committee members or to help out at individual events. Please can you consider helping out – even if it’s for one event. You don’t need to do anything alone. Staff in school are happy to help and support, the outgoing committee will also help if necessary. We would also like to team people up so no one has to do anything alone. Emersons Green Primary School needs you.

If you can help in any way at all please fill in the slip below and return to the school office.

Many many thanks

Jan Isaac
Headteacher.
