Tracy Sutton contact details:

Email: colinsutton7@btinternet.com

Mobile: 07805 196878

Please feel free to say hello in the playground or come and have a chat about anything relating to the PTFA.

Book & Second Hand Toy Donations

We have started to see quite a few book and second hand toy donations - thank you for these. However, we're looking for many more for this year's Christmas Fair. Please keep them all coming - we're looking for any good quality books (adults & children's), good quality second hand toys (no soft toys please), jigsaw puzzles (with all their pieces!), party bag 'left overs', children's DVD's, CD's, good quality comics or any unwanted gifts. Please place any donations in the donation drop box in the foyer. **Many thanks!**

CHRISTMAS FAIR - FRIDAY 2nd DECEMBER 2011 5.30pm - 8pm

Your child will today be bringing home a special Christmas Fair bag with our PTFA 'cry for help' letter enclosed within it! Please could you take a look at the donations required from each class but please only give what you feel you can afford. If you have more than one child at school, don't feel you have to send something in for each of them. Everything helps though - even the smallest donation is appreciated.

Christmas Fair helpers - we need you!

We are continuing to receive offers of help, which is fantastic but we need many more to make sure the Christmas Fair is as festive and fun as possible! We want to build on the fantastic atmosphere created over the past two years and I know many of the helpers had a great time. If you feel you can give us any time on the evening to set up, run a stall, provide a bit of support or help clear up - please do get in touch with Tracey Sutton or any of the PTFA. If you can offer even half an hour of your time and energy, that would be great.

We have already secured some great prizes for this year's Grand Draw but if any of you can help by donating a prize or know any local businesses that could help out, please let us know.
