

### Mathematics

- Measure - for the first three weeks we will be focusing on measuring length in mm, cm and m and finding perimeter.
  - Fractions - during weeks 4 to 6 the children will be counting in tenths and recognising and finding fractions of sets of objects.
- We will also be giving the children lots of opportunities to develop and apply these skills to problem solving and reasoning tasks.

### English

This term we are looking at a fiction text called 'The Iron Man', by Ted Hughes and through this story we will:

- Read, perform and annotate the opening to the story
- Write a character description
- Write a diary entry
- Write an alternative ending

### History - The Maya Civilisation

During this topic we will be:

- Finding out about the Maya Civilisation and discovering what they were famous for.
- Comparing the food they ate to the food we eat today.
- Finding Maya cities.
- Learning who they worshipped.
- Using a timeline to order events.
