

## English

War Horse - reading the text, writing poetry and a retelling of the story. This will then be performed and shared with parents via Google classroom.

Kensuke's Kingdom - We will explore the story and use it to create short burst writing and write our own adventure stories.

The Viewer- We will explore this picture book for older children through role-play and writing in character, and develop our story-writing and narrative language skills.

## Geography

### Marvellous Maps

Using maps, atlases and Google Earth to find out more about the world

Map skills - using grid references, compass points and recognising common map symbols

Using maps to learn about and compare localities

Creating our own maps

## Science

### Separating Materials

Using and refining different techniques for separating materials, including filtering, sieving and using magnets

Creating our own filters

Using evaporation

Using chromatography

## DT

Sewing

Using felt to make a mobile phone holder.

## Music

### Jazz

Listening and appraising  
Playing instruments and improvising  
Performing jazz music

## Spanish

At the café

Learning names of food and drink.

# Year 5 Term 2 2020

## Mathematics

Multiplication and division

Area and perimeter

Consolidation of number, place value and written methods for calculation

## R.E.

### What would Jesus do?

Bible stories and their messages  
How can these stories relate to our lives today?

## P.E..

Volleyball and Handball

## I.C.T

Using Power Point to create story animations.

## PSHE

Forming and maintaining positive relationships  
Understanding different types of relationship
