

Emersons Green Primary School
Term 3 Homework - Blue Class

TOPIC

Our topic is a Geography-based topic about Brazil. Below are some projects based around the country of Brazil that you could complete throughout the term or you can also come up with your own ideas. The homework projects can be presented however you wish e.g in your homework book; as a power-point presentation; as something creative.

English: research and write a biography about a famous Brazilian e.g Formula 1 World Champion, Ayrton Senna or footballer, Pelé.

Science: Investigate the different habitats found in Brazil and produce a fact-file about the animals and plants that live in them.

Maths: Produce a graph comparing temperature or rainfall in Brazil and the UK.

Art: Produce an image of a Rainforest animal (paint; collage; 3D sculpture; textiles)

Language: research and learn some words in Portuguese, the most common language spoken in Brazil.

Food: look up some traditional Brazilian dishes - make one at home (take photographs) and produce a recipe page.
