

## **Emersons Green Primary School** **Term 4 Homework - Blue Class**

Additional, longer term projects completed at home are always welcomed in Year 4. The activities that the children completed around Brazil in Term 3 were exceptional.

This term, with our units of learning around both Brazil and States of Matter continuing, I would like you to focus on two different areas of our Term 4 learning.

RE – Festivals

PSHE – Healthy Me.

Again, you can present your learning in any way you like. This could include; written reports; power-points; posters; board game designs; 3D projects; photography; video; art; music.

For RE I would like you to find out more about the festivals of different religions (Easter; Pesach; Diwali; Eid-ul-Adha). This could include research about different festivals or your own first-hand accounts of festivals that you celebrate.

Here are some useful web links:

<https://www.theschoolrun.com/other-subjects/religious-education-re>

<http://www.primaryhomeworkhelp.co.uk/religion/diwali.htm>

<http://www.primaryhomeworkhelp.co.uk/teacher/easter.htm>

<http://www.primaryhomeworkhelp.co.uk/religion/jewishfestivals.html>

<http://www.primaryhomeworkhelp.co.uk/religion/muslimfestivals.htm>

<http://www.primaryhomeworkhelp.co.uk/religion/buddhistfestivals.htm>

For PSHE I would particularly you to focus on ways you can improve or maintain your health. This could be taking up new forms of exercise or improving skills in sports you are already active in (photos/videos). Cooking some healthy, balanced dishes (photos/videos); Improving your sleeping (sleep diary/top tips poster); Looking after your personal hygiene; Mindfulness.
