

Year 5 Spellings Term 6 2021

Over the course of the term we will investigate, learn and practise different spelling rules and patterns. These rules are outlined below, with some example words. These are not necessarily the words which the children will be assessed against – I will be looking for application of the rules and patterns to a wide range of words. We will also explore a range of spelling strategies and techniques to help children to attempt to spell new and unknown words independently.

During the final week of term, we will review the rules we have covered before completing a final dictation. Please note there are no spellings for the first week of term as this is camp week
