	JD, is the interested contact of it would	need a Wellbeing Governor. SB confirmed they have one at Blackhorse. nat wellbeing for all staff? SB confirmed it was. JD, would anyone be ed in signing up for it? NM asked what it involved. SB, basically a point of for staff to get in touch with/advocate for staff. LM volunteered for this. SB, be better if we had someone who was not already a member of staff at the e, volunteered as she is external. LP confirmed as Wellbeing Governor.

	• Rev	iew Draft Governor Planner – is 6 FGB Meetings per year sufficient?	
	meetings mirror P stick wit	6 FGB meetings be enough? JD, we may need a couple of extraordinary is here and there to pick up any missed items. JB, we need to confirm if we arkwall and happy to have no committee meetings? JD proposes that we have the what was agreed in our meeting in July 2022 (that we have 6 FGB is) but that we add in ad hoc meetings where required.	
	JB, term	s of reference will need to reflect this.	Comment

	SB, there is a lot of duplication between the FGB meetings and committee meetings.	
	RR, legally we have to have 6 budget meetings. As long as timings work we will be able to get 6 reports.	
	JD, asked GG to make sure H&S is added to every agenda.	Action
	SB agrees that this is achievable if we monitor time. JD, we will give this a go this year, run with what we have and do our best to keep to time.	
	JD, please can everyone make sure they read the paper work sent out before the meeting. The agenda and documents will be on Google Drive. If there is any paperwork, please can you send to GG two weeks before meeting and she will upload to Google Drive	Action
	Review Governor Monitoring	
	SY proposed JD and NS split and one deals with English and the other Maths. JD concern is that he has never monitored English so if OFSTED where to come in he would not be confident in that subject. SB explained what would be involved and what was needed. JD agreed to English and will put NS down as Maths.	
	JD is now computing, basically anything with Mike's name against it is now JD.	
	MC and MB Health & Safety.	
	JD asked if there are any on the list that shouldn't be staff governor leads. SB, none of the subjects can be staff.	
	The lead for RE is Karen Adams. RE and PHSE can be put together as one.	
	Art & DT can be put together.	
	MB, music.	
	Finance/Resources: MB lead and RR assisting.	
	NS, JB and JD on paid committee.	
	JD, anything missed or still to be confirmed? No	
	JB to update the Governor Responsibilities document to reflect the changes.	Action
3	Vote on Leaf Trust Proposals (as per extra-ordinary meeting 20th September 2022)	
	JD we held an extra-ordinary meeting on 20/09/2022 and there was a unanimous vote that the Leaf Trust Proposal is the route that we as a school take (establish a new multi academy).	
	GG to send around appointment details for $29^{\text{th}}$ September. JB apologies, as unable to attend. JD may not be able to attend. SB and SY will not be attending. MB confirmed his attendance.	
	GG to send minutes for the meeting on 20/09/2022 and appointment to LP.	Action
4	Budget/Finances/Resources	
	RR we have overspent on budget as we had to purchase a fridge for the kitchen as it broke and we didn't budget for that.	
	Gas/electric, we are tied in until March 2023. Electricity is due to increase by 200% and gas 600%. Budget setting next April and we will need to add into the budget.	

	SB is worried about the budget and funding as a school. We have been underfunded for at least 6 years. £70k shortfall each year. SB, the fabric of the school is starting to decay.	
	SB interactive whiteboards not working. LA will not let us use money in capital. SB if the school goes into special measures it will be catastrophic for the school.	
	SB we have 7 out of 30 computers working so unable to teach the computer technology. Staff can't deliver training as they don't have the tools.	
	We have LA in last week to see if we were overspending on the budget and to see if there was a way for us to spend less. The LA confirmed there isn't a way that we can spend less and in fact they don't think we as a school are spending enough. SB's ambition to get £40k back from the Government.	
	JD thanked SB for getting the report done.	
	Revised budget next month.	
	SB, we will need a strategy in place and if the LA ignores our request, we will need to make the parents aware.	
5	<u>GDPR</u>	
	LM, staff training/staff awareness to do. We have all the materials to use from the company just need to action it.	
	SY, subject access request from a parent yesterday re safeguarding issue. SY has spoken with the parent re what is happening. The email the parent sent may have been sent in haste but will see what comes of this. If the parent does respond, we have one calendar month to respond to them.

	3 <sup>rd</sup> Priority: Improve Curriculum. Computing is not great. The issues we have is that the computers do not work, there is free training but we don't have the tools.	
	History and Geography are subjects to look at. The progression and facts could do with tightening.	
	4 <sup>th</sup> Priority: Improve Teaching. Children don't actively participate in learning in class, so we can add techniques in class and teachers will be taught this. Consistently reviewing prior subjects.	
	SDP will have clear outcomes for the term. NM, will the SDP be in the school report. SB we will report against the SDP.	
	SY went through the standards report and data. All figures are saved on the Google Drive.	
	NM, what were the targets? SY wouldn't know off the top of my head, there is one and I would have to go back and have a look to obtain this information.	
	JB what happens going forward with the phonics scheme we have purchased. SY all the teachers have had training, there will be some work on this whilst we in-bed these approaches. Plans are all done and provided. Once you learn the script this will be part of everyday teaching.	
	JD, when is the next date drop? SY, December. ISDR in November (SB).	
10	Chairs Items	
	JD is really pleased with how well the partnership has begun and has received very positive feedback. So far it is everything we were hoping for. JD thanked SB for putting so much effort into the partnership and is confident the children are in good hands.	
11	Confidential Items	
	Disciplinary for a member of staff on 18 <sup>th</sup> October. JD, NS and JB on the panel. SY to book meeting room.	
12	AOB	
	Geraldine and LA review on Thursday. She would like to speak to Governors from 12-12:30. JD asked how many Governors would be needed, would one suffice? SY, if it was me I would want more than one. JD, is anyone available. JB can do this on Teams. MB can also attend. SY to set up meeting and send details to JB and MB.	Action
	Meeting Reflection	
	NM: Headteachers report is very focused.	
	MB: Agrees and it ties nicely in with the values/reflects them and is clear in the report.	
	JD: Agreeing to the LEAF Trust proposal, will make a huge difference. JD asked if staff have been told. SB, confirmed they had a meeting yesterday. It is new for the staff and they did have some anxieties about it, they were not unhappy just worried as it is a change. The information will be put out to everyone/whole school community on Monday.	
13	Date and time of next meeting
